Wiring diagrams

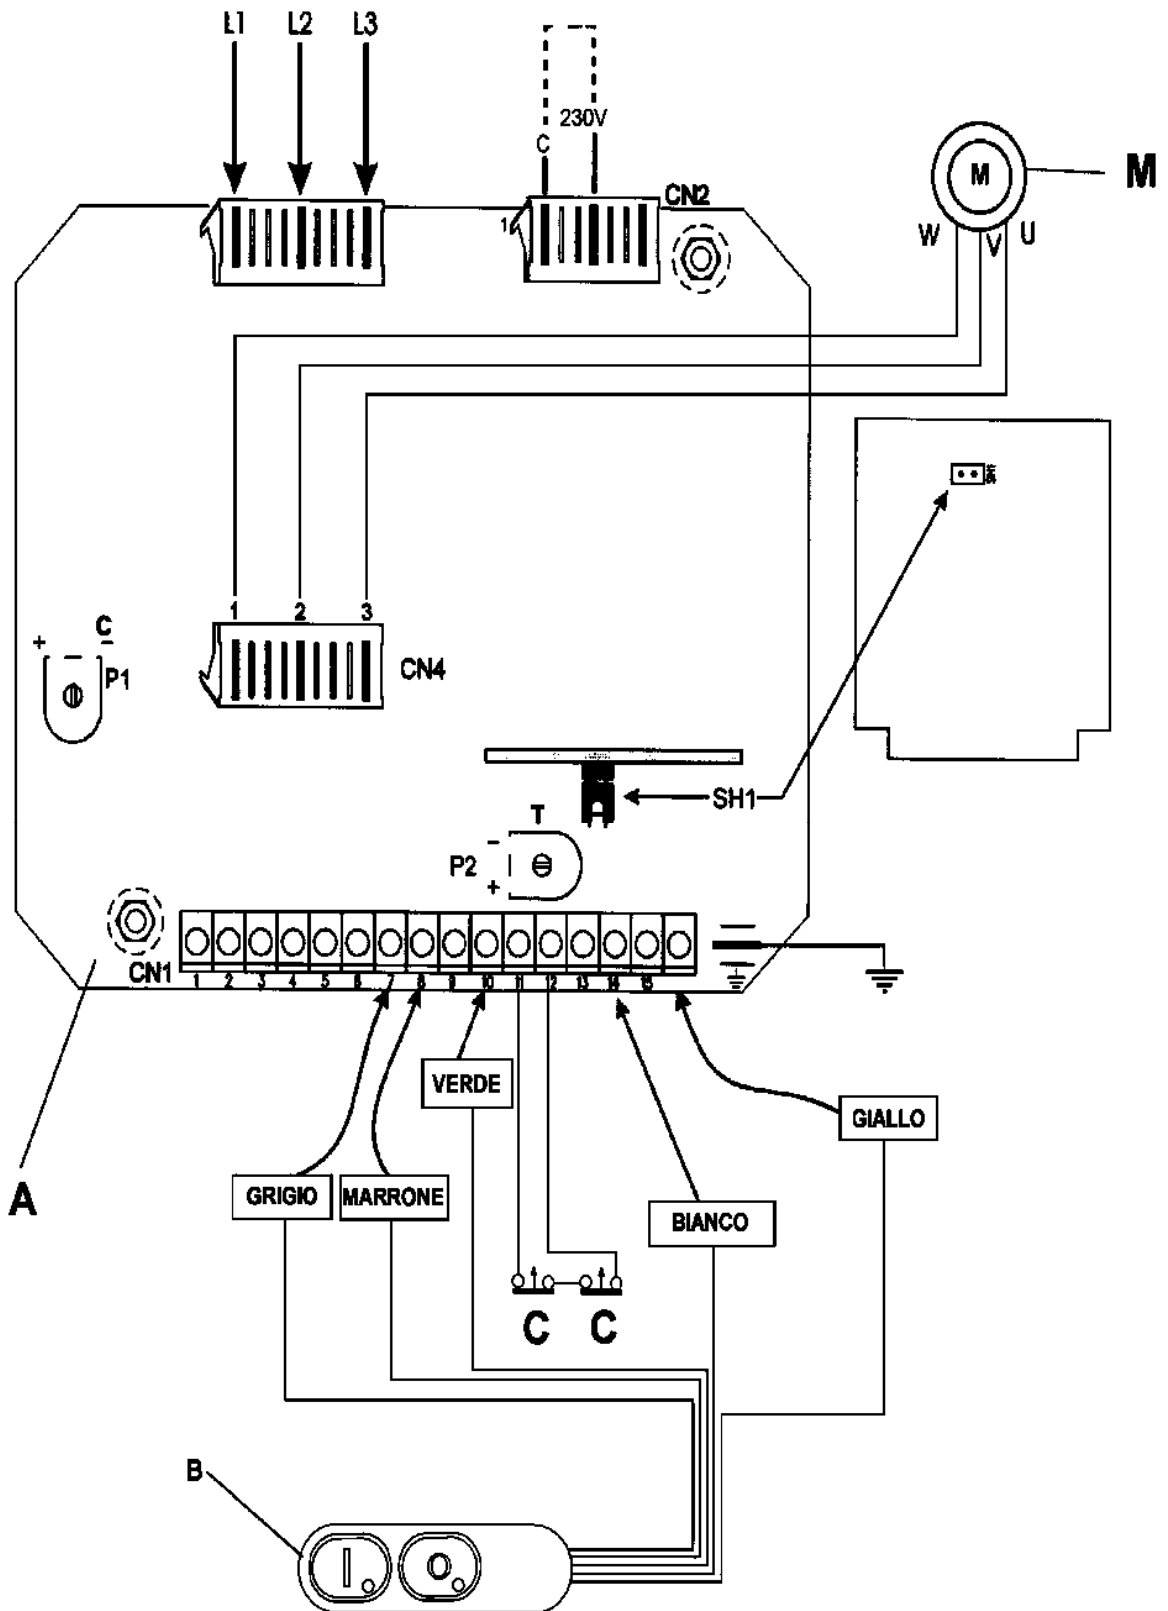

1 Three-phases wiring diagram at 400V

Key

- A = self-braking motor card
- B = star-stop button
- C = safety microswitch
- M = motor
- L1, L2, L3 = three-phase line

3 Three-phases wiring diagram at 230 V

Key

- A = card of self-braking motor
- B = star-stop button
- C = safety microswitch
- M = motor
- L1, L2, L3 = three-phase line
